

Have you lived in Foster Care? Are you 16 – 25?

*Would you like to get to know the people
who represent you in state
government and learn about how
policies are made?*

**Do you want to share your
opinions one-on-one with a policy
maker and teach them about your
experiences in the foster care system?**

Then be a part of the *Walk a Mile Central Ohio* project ...

November 14, 2005 to December 14, 2005

How does *Walk a Mile* work?

- ◆ *Walk a Mile* will pair foster youth with policymakers for one month
- ◆ Policymakers will accompany you on one of your routine activities and you will accompany them to a legislative session or meeting
- ◆ Policymakers will be asked to live on a minimum wage budget for the month
